

2002 Soil Conservation District (SCD) Supervisor Election

NOMINATING COMMITTEE

CANDIDATE REQUIREMENTS AND POSITION INFORMATION

A. Candidate's Legal Requirements*:

1. Be over 18 years of age.
2. Be a resident of the SCD in which they would serve.

B. Desirable Candidate Knowledge:

1. Understand land management systems and conservation treatment techniques.
2. Have a perception of the makeup and duties of the SCD.
3. Know the mission and goals of the Utah Partners for Conservation and Development.

C. 2002 Election Information*

1. There are two, four-year term of office positions up for election that start March 15, 2002 and runs through March 14, 2006.
2. After this election there should be a minimum of three individuals who are private agricultural land operators on the SCD Board of Supervisors.
3. Incumbents are eligible for re-election.
4. The Utah Soil Conservation Commission (USCC) directs the election that is conducted by mail through funding and staff support from the Utah Department of Agriculture and Food.
5. Ballots will be mailed in mid January 2002 to each of Utah's farm or ranch principal land operators listed with the USCC. Other registered voters may vote, but they must request a ballot on a request form from the USCC office or other locations specified by the USCC no later than 2/7/01.
6. Ballots must be postmarked by February 19, 2002 to be counted.

*See the Utah Special Districts Act 17A-3-804 for election details.
